Items Necessary to Acquire a Sewer Tap Permit from MSD Include:

1. Approved Availability of Sewer Service Application.
2. A contractor that is licensed by MSD.
3. Completed MSD Sewer Tap Permit Application form.
4. Copy of the building permit.
5. Appropriate Water Works form (in special cases a letter stating the domestic meter size).
6. Detailed site plan, showing the building sewer with sea level elevation at the sewer main and the lowest floor elevation of the building. For developments tributary to sanitary sewers, the site plan must demonstrate that no clean water connections such as a foundation or footer drains are connected to the sanitary building sewer.
7. The sewer main being tapped must have been tested and approved.
8. Street opening permit, where applicable (State, County, City of Cincinnati and other municipalities).

Please Note:

- All permits for storm water connections to a City of Cincinnati storm sewer will be issued by Stormwater Management Utility, (513) 591-5050.
- For permits to convert from a septic system to sewer service, a Sewer Tap Permit Fee per the fee schedule listed below is due unless the property is a single family residence or a condominium. The Sewer Tap Permit Fee for such a permit is \$480.00 for a single family residence or condominium unit.
- Visit our website at http://msdcg.org/customer_care/development_services/index.html for forms and instructions.

Sewer Tap Permit Fees are Effective January 1, 2022

Please make check payable to "Treasurer, City of Cincinnati/MSD"

Meter Size	Up to 3/4"	1"	1 1/2"	2"	3"	4"	6"	8"	10"	12"
Sewer Tap Permit Fee	\$4,820	\$8,740	\$19,990	\$35,990	\$81,610	\$145,730	\$329,650	\$586,960	\$916,620	\$1,318,620

The above Sewer Tap Permit Fee schedule is based upon the size of the domestic water meter providing service to the structure as required by the MSD Rules & Regulation (Section 1215). All properties shall be subject to all applicable sewer service charges, assessments, connection charges, and Tap-in Fees which have been or may be established by the Board of County Commissioners in effect at the time such fees are collected.

- Full time inspection (\$100 per hour) required on 8" inch building sewers or larger with manholes and for special services.
- Sewer main installations require a deposit based on: \$6.00 per linear foot and \$680 per manhole (based upon \$100 per hour).
